Hi Brittany and Jeryl – anything sensitive that Dale and I should focus on? Is there general agreement among the team re what's there now? Thanks!

Please see the updated agreement which includes the changes based on last week's conversation with Delanie. Please let me know if you have any comments. I would like to get this back to Delanie no later than this Thursday if possible. Not much has changed since our last team discussion.

Thanks!

Subject: HDOA Draft Agreement Status

Update-

Jeryl and I have worked on and shared with HDOA an updated version of the draft IRA based on last week's conference call with the investigation team. Subsequently, Jeryl and I spoke with Delanie (HDOA) yesterday afternoon to walk through the recommended changes and to find out additional information about ADC's current stance on moving forward with an informal resolution. Overall, the call went very well and she is anxious to come to an agreement that is ready for signatures. I am currently waiting for some additional information from Delanie to be added to the draft before I recirculate the new version to our group.

Ex. 5 Deliberative Process (DP)

I hope to share the updated draft this week. Let me know if you have any questions.
